

ORAJET® 3651 Series

Large sized advertising prints – vivid colours and superb brilliancy

ORAJET® 3651 series is another great choice when it comes to large sized advertising prints. Made from a special PVC, this thin 70 micron film is easy to print as well as easy to apply. Unlimited print possibilities with the full range of surface options available – including transparent.

The series is available with the Rapid Air structure, making application even easier. The Rapid Air system has been specially developed to prevent air bubbles from getting trapped under the material. This means that application can be done quicker and with a lot less hassle.

The ORAJET® 3651 Series include options for both glossy, semi-glossy and matt surfaces, making it the ideal base for any print regardless of what finish you are looking for in your design.

The series includes:

- ORAJET® 3651
- ORAJET® 3651RA

Product benefits include:

- Digital printing film
- Special PVC construction
- Available as transparent, glossy, semi-glossy and matt
- For indoor and short- and medium-term outdoor use
- Solvent based inkjet printing, Latex and UV digital printing

Recommended Laminating Films:

- ORAGUARD® 215
- ORAGUARD® 215DU
- ORAGUARD® 210
- ORAGUARD® 210DU
